

OGB Volunteer Opportunities for Corporations

Thanks for your interest in holding an Operation Goody Bag event at your location! We have tremendous success with corporate events as OGB offers an opportunity for team building while taking part in a simple project with far-reaching impact. Listed below are types of events that can be implemented at the corporate level. Should you decide to participate, complete and Fax a PLEDGE FORM from OGB website Download Page, to register your official OGB event.

Goody Bag Coloring event: \$1,000. OGB supplies your team with a minimum of 250 official custom printed Goody Bags. Your volunteers color one side of the bag with personal artwork. You can add a sticker to the back of the bag with your company logo and a note stating that these Goody Bags were sponsored by donations from your company. Empty Goody Bags are shipped back to OGB Headquarters to be filled at a public packing event. (Corporation makes donation of \$4/Goody Bag to cover the cost of filling and shipping). You can order additional bags in increments of 250 along with increased donation.

Thank You note event: \$1,000. Operation Goody Bag supplies your team with three templates for notes, with the requirement of a minimum of 500 handwritten Thank You notes. You can add your company logo on the notes. Your volunteers write Thank You notes with some personal artwork. Notes are shipped back to OGB Headquarters to be placed in Goody Bags at a public packing event. (Corporation makes donation of \$2/Thank You note).

Combination Goody Bag Coloring and Thank You Note event: \$2,000. All of the above applies. Notes and Goody Bags are kept separated, and shipped back to OGB HQ for proofreading, filling and shipping.

Official Packing Event: \$10,000 minimum + travel expenses. OGB goes the full circle with coloring Goody Bags, writing Thank You notes, and then filling the Goody Bags on site. We would invite local First Responders, Veterans to attend event so gifts can be presented to them in person. They would then distribute to their groups. Official packing events, for security reasons, require the attendance of at least 3 OGB Team members. They would set up the entire event and provide all supplies. We can bring colored Goody Bags and letters to the event and your team could just pack, or they could color bags and write letters on the day of/or prior to packing date. A group of 25 volunteers can pack a minimum of 1000 Goody Bags/hour. Minimum of 2000 Goody Bags required for on-site packing event. Travel expenses to be covered by corporate sponsor.
